Title: Informative Lectures on Wages

Editor: Chung-nan Kung-tzu Kai-ko Wei-yuan-hui Tsung-pan-kung-shih

Publisher: Chung-nan Kung-jen Ch'u-pan She, Oct 1952

Sponsor or Issuing Authority: Central-South China Wage Reform Committee

No Pages: 76 Language: Chinese

Repository and Catalogue No: Harvard-Yenching Library

Area of Coverage: China - Central-South Region

Subjects Covered: Wage systems and controls, reforms No charts, tables or photographs.

Scholarship Evaluation: Popular consumption, propaganda editorials and official documents relating to wages

Review: Series of 22 articles dealing primarily with the policy and aims of wage reform. Covers new wage system and classification of workers, their respective pay scale and wage standards for manual and technical labor; benefits of the eight classification wage system; system of piecework, quota work, and determination of wage scales for each; reward (bonus) system; worker's productivity and the wage rate.

Appendix includes Decision of the Finance and Economic Committee, Government Administration Council, on regulations issued by the Central-South Military and Administrative Committee governing wages in local state-operated factories and mines, and provisional methods of operating the piecework system in local state-operated industries in Central-South China.
